Wine Trends is involved in an ambitious expansion program in its business. We continue to add new people throughout the State of Ohio. As a result of this continued growth, the Company is constantly looking to add more positions both in the field and at the Corporate office. We are an EQUAL OPPORTUNITY EMPLOYER.

Recruiting can be as competitive as business itself. That's why we continually seek out experienced people who are looking for challenge, growth and fulfillment in their career development. As a leader in the wine distribution business, we offer a competitive salary, excellent benefits package, stimulating work environment and opportunities for advancement.

Relocation assistance is available to qualified applicants.
